# Get to 50

## Spelling Homework

Below is a list of possible spelling activities for you to complete this week. Each activity is assigned a point value. You may choose to complete any of the activities one time each, but the total point value must either meet or exceed 50 points. Check the activities you complete and attach them to this page.

REQUIRED: One of your activities must be completed in cursive.

REQUIRED: Sort your spelling words into the categories. (10 points)

### 5 Point Assignments:

- Write your words in ABC order or reverse ABC order.
- Write your words using one color for vowels and another color for consonants.
- Take a practice test with your parents and have them grade it.

### 10 Point Assignments:

- Make & solve a spelling word search using all of your words. (Use [puzzlemaker.com](http://puzzlemaker.com) or graph paper)
- Write your words three times each.
- Make flash cards for each of your spelling words.
- Write your words in special letters (bubbly, block, squiggly, etc.)
- Write your words forwards and backwards.

### 15 Point Assignments:

- Choose 10 words and write a meaningful sentence for each word.
- Classify all of your words according to parts of speech.
- Write your words four times each.
- Spelling Addition: Add up each of your spelling words using the Scrabble tiles. Show your work.

### 20 Point Assignments:

- Write your words five times each.
- Find 10 words that match your weekly spelling pattern in a book, magazine, or newspaper. Copy the sentence. Tell where you found each word.
- Find 10 of your words in a magazine and glue to a paper.
- Use a dictionary to find 10 of your spelling words. Write the definition for each.
